

Adobe Connect – Student Quick Start Guide

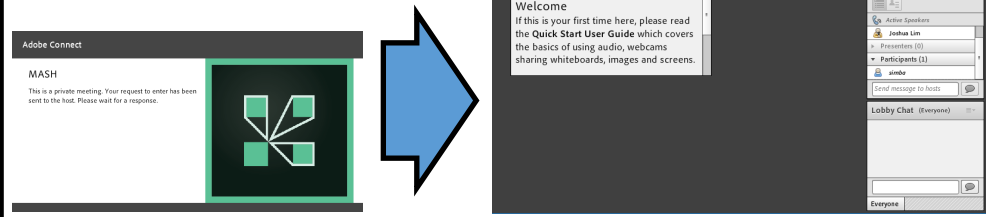

This guide is a how-to for using Adobe Connect. For help reaching the meeting, also see the Installation Quick Start Guide:

1. Go to Meeting URL: uob.adobeconnect.com/mash

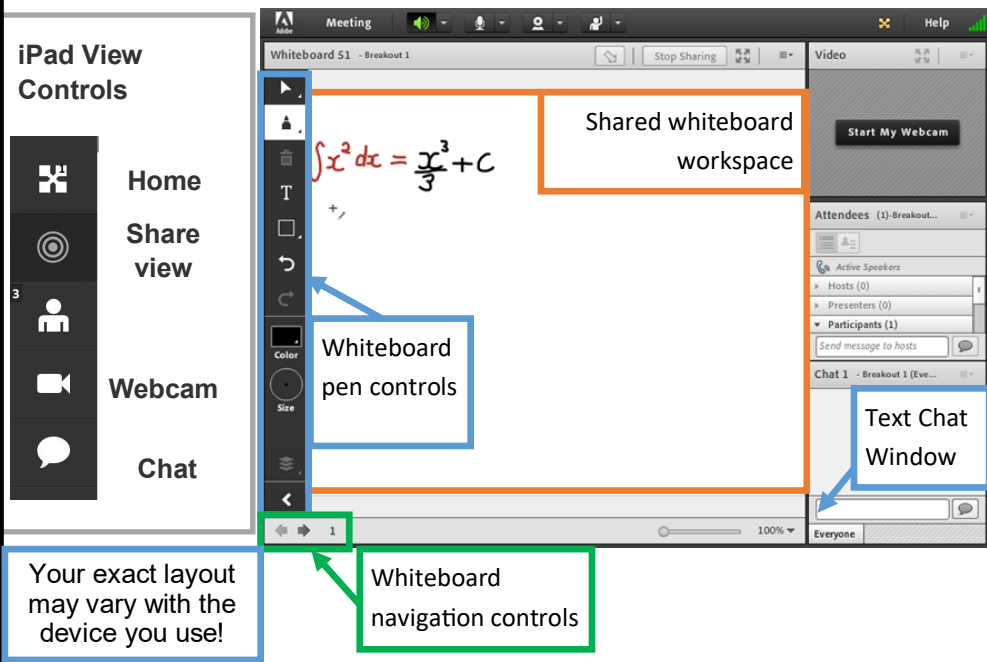

As a guest, enter your name and join the room

2. Wait in the Lobby

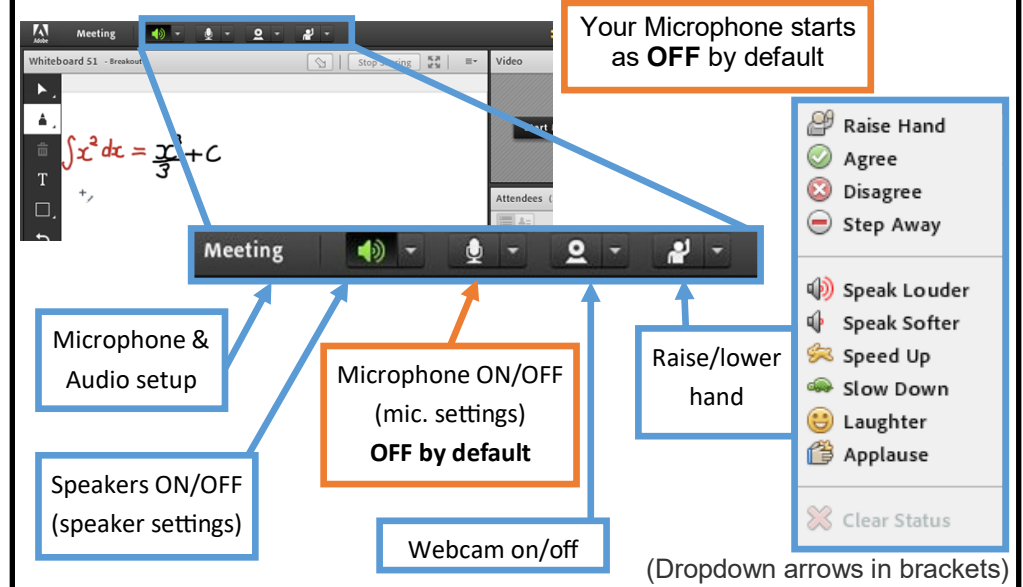

When you've joined the meeting you will land in the lobby and will wait to be assigned to your own breakout room.

3. Work in the Breakout Room

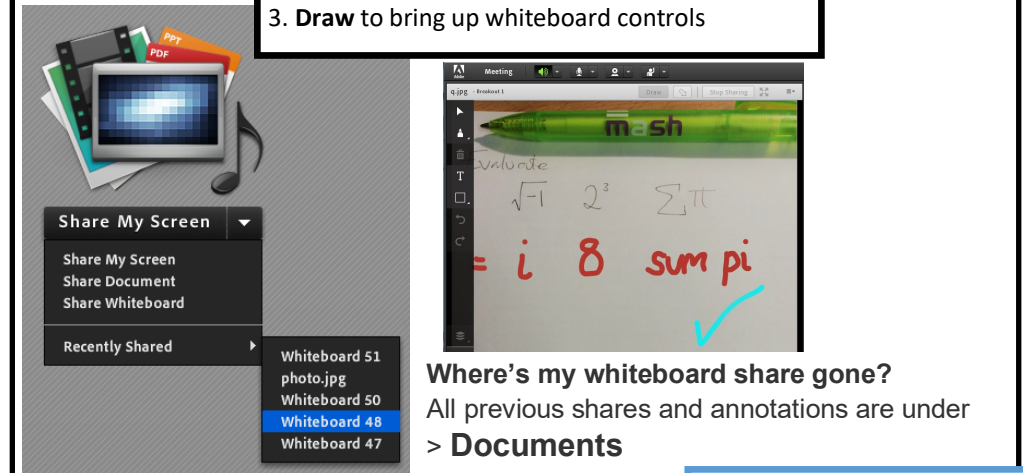

4. Communicate Overview of audio and video controls

4. Sharing You can collaborate on whiteboards, share images, documents and your screen (from desktop version) to jointly annotate.

1. Click **"Stop Sharing"** (top right of Whiteboard)
2. Select a new object to share from list
3. **Draw** to bring up whiteboard controls

Tip: iPad users take images first and find photo from *Camera Roll*.
