

Shape TDF Application AY25/26

24 Nov 2025

This fund supports substantial projects that deliver measurable enhancement in learning or assessment, ideally with cross-departmental or institutional impact, with the potential scaled. Maximum £3000.00 funding.

* Required

* This form will record your name, please fill your name.

1. Lead Applicant's Name *

2. Department / School *

3. Role / Position *

4. University of Bath Email Address *

5. Co-applicants Names & Departments (if any)

6. Project Title *

7. Abstract (max. 200 words) *

Provide a clear summary of aims, activities, and anticipated impact. If successful, this will be shared on the TDF Webpages.

Rationale, Innovation & Strategic Alignment

8. What teaching or learning challenge does your project address? (max. 200 words) *

9. How does the project contribute to the University's Education Strategy? *

e.g. Sustainability, EDI, Wellbeing, Building on our Foundations, Fit for the Future or Global Excellence with Impact

10. How does the project contribute to the professional development of the applicants? *

Project Design and Implementation

11. Description of activities and methods (max. 300 words) *

Include key milestones, timelines, and any collaboration

12. Expected outcomes and impact (max. 200 words) *

Describe how the project will benefit students (including APP students specifically, if appropriate) and/or staff and how success of the project and impact on stakeholders will be measured This keeps the number of questions down but hopefully still makes clear the need to evaluate success and impact.

13. How will students be actively involved in this project? (max. 150 words) *

14. Will you need support from any professional services to deliver this Project?

Please confirm who has agreed to support your project. (max. 100 words) *

e.g CLT, TEL, the Library, the SU, BUCS

Budget

15. Total amount requested (£) *

16. Itemised budget *

Evaluation, Sustainability, and Dissemination

17. Evaluation approach (max. 150 words) *

How will success and impact on students and/or staff be measured and evidenced?

18. Dissemination plan (max. 150 words) *

How will outcomes be shared (e.g workshops, publications, internal CLT events)?

19. Sustainability and next steps (max. 150 words) *

If successful, how will this work be sustained or scaled beyond the funding period?

Ethical Considerations

20. Does this project require ethical approval

☐ Yes

☐ No

21. If yes, please provide details of status or timeline
