Please note we will be delivering a revised programme from September 2024, following our Reaccreditation with Advance HE. The Reaccreditation has given us the opportunity to review how and what we deliver, whilst taking into account changes in HE in the last 4 years. All sessions have been renumbered and the previous equivalent session is shown in brackets, so you can see what you need to still attend. This Grid of Requirements should be used in conjunction with the relevant Planner for your contract.
